Did you ever stop to notice  
The crying Earth the weeping shores

## Heal The World

And this place could much brighter than tomorrow

In this place you'll feel there's no hurt or sorrow  
There are, ways to get there  
If you care enough for the living  
Make a little space  
Make a better place

There's a place in your heart  
And I know that it is love

And if you really try  
You'll find there's no need to cry

Ouh-----  
Ouh -----  
Ouh-----  
Ouh -----

### Refrain à 2 voix

Heal the world  
Make it a better place  
For you and for me and the entire human race  
There are people dying  
If you care enough for the living  
Make a better place for you and for me

Voix 1 et 2 :

There comes a time, when we heed a certain call  
When the world must come together as one  
There are people dying, it's time to lend a hand  
To life the greatest gift of all

We can't go on pretending day by day  
That someone, somewhere will soon make a  
change  
We are all a part of God's great big family

tous à 2 voix : And the truth, you know, love is all we need

Refrain :

We are the world

we are the children

We are the ones

There's a choice we're making

Who make a brighter day so let's start giving

It's true we'll make a better day, just you and me

We are the world

We are the children

We're saving our own lives,
